

From Water to Wine: the Niagara British Car Club Brave Souls Run:

April 22, 2017 – 10:00 am start

****Emergency cell number 905 650 0326****

Note: All listed mileages are cumulative...**Miles are marked in red**...kilometres, black. This run includes some short stretches of broken pavement, a few rough rail crossings, and crosses some major roads. The first stage is fairly long, so if you need some relief and refreshment before we begin, there is a Tim Horton's on your way to the starting point in Crystal Beach on Ridgeway Road. However, parking there is tight. Note: the PalmWood is not open for breakfast, but there are a few restaurants to the south of Timmies.

Our run begins from the **Waterfront Park and Boat Launch in Crystal beach**. (Head south on Ridgeway Road all the way to the end...up over the dune and down to the park)
