We will, once again, be doing "Bring a Gift – Get a Gift".
You are encouraged to bring a British- or car-themed wrapped gift.
It can be store-bought, preferably a local shop or
home-made with a value of about \$20.00.

Each of us is experiencing sticker shock at the grocery store.

Imagine the plight of those less fortunate.

The NBCC will resume collecting non-perishable food items
for donation to local food banks.
